

Gussie

Eyes like the sun

Fluffy, fuzzy fur of many colors

Chocolate, tawny, white snow, midnight black, orange

Not an ordinary cat

Rescued from the grassy green lawn of my house

Always hissing, spitting, and growling

Slowly going up to him every day

He gave me ferociously furious looks

One day, my work finally paid off

Gently laying my hand on fluffy fur

He gave me looks of pure delight

Meowing and purring

He is still meowing and purring

But he only lets ME touch him
