

# MY COLOR POEM

## Black

Black is coal before it burn.  
Black is a hole very deep  
Black as a cave in a hill.  
Black is a room without light  
Black is a house that has just burn  
down  
Black is the day before dawn  
Black is A tunnel with out light  
Black is a sound of a  
creaking cricket at night

BY MARC BUFORD
