

# My Baby Sister

My Baby Sister  
is too cute and tiny

I love her little  
small teeth and  
curly hair

I care a lot about  
her no matter what  
we go through together and  
forever

She is very funny  
and when she's hyper  
She is a runny little bunny

I don't know what  
I would do without  
you

I'm stuck to you  
forever just like  
Glue

baby boo

I love you
