

My friend

By: Lily Park

Rain is creeping and crawling
drip drop
pit pour
I get on my rain coat
HELLO! The thunder roars loudly
hello! I wave

I walk down my steps
the rain plays music on my head

SPLASH!

I step in a puddle

JUMP!

I swim in the gray sky

I smile
the lightning takes a picture of me

I twirl around
my hair flies and swings

I climb a tree
“ this is AMAZING!!!!!!!!!!” I yell
I jump in every puddle
the rain is quiet now
I go inside with a smile on my face :P
inside I twirl and jump

I go to bed
In bed I
get cozy and whisper
“ see you tomorrow rain”
and I think I will see rain again because rain
is my
best friend
