

# Picnic

(Inspired by the painting. *Down by the Riverside* by Thomas Hart Benton)

Stretching and drifting

Tied by string

A yellow tail follows

An orange body soars

While under towering tree

A grill

Burning hot and bright

Warms cold stone

Near a hovering man

Zoey-O Zilber

A handwritten signature in cursive script that reads "zoey o zilber". The letters are fluid and connected, with a mix of lowercase and uppercase characters.
